Dashboard **Write** Manage Links Pr

This shows most of what you need, and you did most of this, but I'll note the main points just in case. See all ##1-4.

After login, this is #1. (The first menu item highlighted is Dashboard, which may be useful, but Write is what we'll use most of the time.)

#3. Enter Text

#4. Scroll down using the down arrow cursor key or using your mouse until you see this. Your screen may not have shown the whole page.
You can also scroll down to see other options (that I haven't figured out yet). I think attaching a file will let us upload pics.
